

NIAID 13th Annual Fellows Workshop

Agenda

Wednesday, November 13, 2019
Natcher Conference Center

- 8:30 AM **Registration**, Lobby (lower level)
- 8:45 AM **Welcome and Introductions**, Ruth Kirschstein Auditorium
- NIAID Outstanding Mentor Award 2019**, Ruth Kirschstein Auditorium
- 9:00 AM **Jason Brenchley, PhD**
Senior Investigator, Laboratory of Viral Diseases
Antigen-specific CD8 T cell responses across tissues
- Graduate and Postdoc Scientific Talks**, Ruth Kirschstein Auditorium
- 9:25 AM **Lawrence Wang, Doctoral Candidate**
Immunology Laboratory, Cellular Immunology Section, Vaccine Research Center
A Novel Human Monoclonal Antibody That Is Highly Effective At Preventing Malaria Infection
- 9:45 AM **Laura Amo, PhD**
Laboratory of Immunogenetics
A single infection with a malaria parasite protects mice from lethal autoimmune glomerulonephritis
- 10:05 AM **Apollo Stacy, PhD**
Laboratory of Immune System Biology
Infection-elicited microbiota enhances colonization resistance
- 10:25 AM **Networking Break**, Lobby (lower level)
- Morning Plenary**, Ruth Kirschstein Auditorium
- 10:40 AM **Peter Agre, MD**
Nobel Laureate, Distinguished Professor, Johns Hopkins Bloomberg School of Public Health
Aquaporin water channels: from atomic structure to malaria
- 11:40 PM **Lunch** (on you own)
- 12:45 PM **Poster Session I** (Odd numbers), Atrium
- 1:30 PM **Poster Session II** (Even numbers), Atrium
- Afternoon Plenary**, Ruth Kirschstein Auditorium
- 2:15 PM **Courtney Murdock, PhD**
Assistant Professor, Odum School of Ecology, University of Georgia
Ecology of host parasite interactions
- 3:15 PM **Networking Break**, Lobby (lower level)
- 3:30 PM **Career Panels**
(Participants have the option to attend one panel in Round I & one panel in Round II)
- Academia**, Ruth Kirschstein Auditorium
Rebecca C. Burgess, PhD, Assistant Professor of Biology, Stevenson University
Marta Catalfamo, PhD, Associate Professor, Georgetown University School of Medicine
Courtney Murdock, PhD, Assistant Professor, Odum School of Ecology, University of Georgia
- Communications**, Room F1/F2
Gregory Frank, PhD, Director, Infectious Disease Policy, BIO
Lauren Lipuma, Program Manager, Public Information, American Geophysical Union
Maryam Zaringhalam, PhD, Data Science and Open Science Specialist, National Library of Medicine
- Round I:**
3:30 - 4:15 PM
- Round II:**
4:15 - 5:00 PM
- Government**, Balcony C
Geeta Negi, PhD, Toxicology Reviewer, Food and Drug Administration
Christine Piggee, PhD, Scientific Review Officer, Center of Scientific Review, NIH
Anthony Tran, DrPH, MPH, D(ABMM), Director, District of Columbia Public Health Laboratory
- Industry**, Balcony A
Rima L. Adler, PhD, Senior Technical Sales Consultant, Miltenyi Biotec Inc.
Jaideep Banerjee, PhD, Medical Science Liaison, Smith & Nephew
Patrick McTamney, PhD, Scientist II, MedImmune
Vijay Walia, PhD, Global Product Manager, Thermo Fisher Scientific
